How to make a claim

While in hospital

We have direct settlement with almost all of our hospitals and consultants. This means that when you go into hospital (for in-patient or day-case treatment), you simply fill out a form when you arrive, sign it when you leave, and the hospital then deals directly with us. There's no need for you to do anything else. We will then write to you afterwards to let you know how your claim has been assessed. It's as simple as that.

It's a good idea to call us on **1890 700 890** and let us know about any upcoming treatment. Don't forget to tell us which hospital you're going to and the name of your consultant, so we can confirm your cover.

Day-to-day expenses

If you have other health expenses, like physiotherapy, GP or casualty visits, just keep your receipts throughout the year. Then, at renewal time, fill out an out-patient claim form which can be posted to you if requested or downloaded online and include all your receipts and send to:

Laya healthcare, Eastgate Road, Eastgate Business Park, Little Island, Co. Cork.

Read on for a full explanation of our rules and benefits.

Reading your rules booklet

This booklet is broken into your:

1. Scheme rules which outlines definitions and the rules of your policy (pg 3-16), and
2. Table of benefits which outlines in detail the benefits received by you (pg 17-32)

Scheme rules for the Essential Suite

Effective from 14th May 2012

1. Introduction

You need to read these rules in conjunction with the current Table of Benefits for the Credit Union Suite schemes (see pages 27 to 29), including the notes (see page 29 to 31), your membership certificate and **your** application form. These documents and the rules make up the agreement between us, **laya healthcare**, and you, the member.

4. Renewing your membership

- (a) **Your** membership of the scheme will automatically renew on **your** renewal date, each year (subject to Rule 10 on page 14) for a further year unless we write to notify **you** at least 30 days before the end of the year that

we have decided to end the scheme. In that case, **your** scheme membership will end at the end of the year in which we notify **you** of our decision.

- (b) **You** renew **your** membership of the **schemes** by continuing to pay **your** subscriptions after **your** renewal date.

5. Your subscriptions

You must pay **your** subscriptions in a way which is reasonably acceptable to us. We will give details of the ways **you** can pay **your** subscriptions in our brochure and we will send **you** updated details if **you** ask us to. A credit charge will apply if paying by installments.

6. Ending your membership

- (a) **You** have the right to cancel **your** membership of the **scheme** by writing to us within 14 days of **you** receiving **your** first membership certificate. We will give **you** a full refund of any money **you** have paid us as long as **you** have not made any claims.
- (b) **Your** contract is for a period of one year unless we agree to a different period when commencing **your** policy. If **you** do cancel mid-year, **you** will not receive any refund on **your** premium. In the event of non-payment in accordance with the payment terms of **your** contract, such non-payment will constitute a breach of contract. In such circumstances we will not pay any benefits for the contract term and we will seek recovery of the losses and expenses incurred by us as a result of **your** non-payment.
- (c) **You** may also cancel the membership of any of **your dependants** of their **scheme** by writing to us within 14 days of **you** receiving

your first membership certificate which lists them as a member. We will give **you** a full refund of any money **you** have paid for those **dependants**, whose membership **you** have cancelled within 14 days, as long as no claims have been made in respect of them.

- (d) **Your** dependants contract is for a period of one year unless we agree to a different period when commencing **your** policy. If **you** do cancel **your** dependants contract mid-year, **you** will not receive any refund on **your** premium. In the event of non-payment in accordance with the payment terms of **your** contract, such non-payment will constitute a breach of contract. In such circumstances we will not pay any benefits for the contract term and we will seek recovery of the losses and expenses incurred by us as a result of **your** non-payment.
- (e) We can end or refuse to renew someone's membership of the **scheme** if they have at any time made a fraudulent misrepresentation which relates to their contract with **laya healthcare** or any other **health insurance contract**, and which has, or could have, resulted in us, or any other registered health insurer, suffering financial loss. This includes information which could have affected our decision to allow anyone to join the **scheme** or what subscriptions they have to pay, or whether or not we have to pay any claim for **benefits**.
- (f) **Your** membership of the **scheme** will end immediately if **you** stop living in **Ireland** for more than six months per calendar year or **your** membership is not renewed.
- (g) We may end **your** membership of the **scheme** by writing to **you** if **you** do not pay any of **your** subscriptions on the date they are due. If **your** membership ends because **you** do not pay **your** subscriptions, we may allow **you** to continue **your** membership, as long as **you** pay the subscriptions **you** owe within 30 days.
- (h) If a person's membership of the **scheme** ends because we end their membership (eg. for fraudulent misrepresentation), we will give a refund of subscriptions paid for them for the period after their membership ends.

- (i) If **you** cease to be a member of **your scheme** for any reason at any time, the membership of each of **your dependants** on the **scheme** will also end at the same time unless we otherwise agree in writing at the time. **Your dependants** will need to make their own arrangements with us to continue their membership of their **schemes**. They can do this by telephoning or writing to us. We will explain to them what they will need to do.

7. What is covered under the scheme

- (a) We will pay **benefits** for **treatment** a person receives while they are a member of their **scheme**. We will pay **benefits** under the **scheme** of which they were a member at the time they received the **treatment** and according to the rules and Table of **Benefits** of the **scheme** that applied to them at that time. We will not pay **benefits** for **treatment** which a person receives while he or she is not a member of the **schemes**.
- (b) We will only pay fees and charges for **treatment**, services and facilities that are reasonable and customary and in any event only up to the limits shown in the Table of **Benefits**. By reasonable and customary we mean that what **you** are charged for and how much **you** are charged is not more than what the majority of our other members of the **schemes** are charged in Ireland for similar **treatment** services or facilities.
- (c) We may pay **benefits** direct to the person who provided the **treatment** or to **you** or **your dependants**. We will pay benefits after deducting any withholding tax or other deductions that we are required to make by law.
- (d) We will only pay **benefits** for costs and expenses that **you** have to pay. We will only pay **benefits** for **treatment** that **you** need and have received.
- (e) Any **benefits** we pay for **treatment** to which **you** are not entitled, will still count towards the maximum amount we will pay under the **scheme**. We may decide to make

these payments, but it does not mean we will have to pay them in the future.

- (f) We will pay **benefits** for **in-patient treatment** for psychiatric or addictive conditions or problems up to the following limits:
- (i) The maximum number of days of **in-patient treatment** for psychiatric conditions (other than those referred to in 'ii') for which we shall pay **benefits** for any person in any calendar year shall be 100 less the number of days of such **treatment** that the person has received during the same calendar year, in respect of which a payment has been made by us or any other **health insurance contract**.
- (ii) The maximum number of days of **in-patient treatment** for alcoholism, drugs or substance abuse for which we shall pay **benefits** for any person in any continuous period of five years shall be 91 less the number of days of such **treatment** received by that person during the same five-year contract period in respect of which a payment has been made by us or any other **health insurance contract**.
- (g) The maximum number of days of **in-patient treatment** and **day-case treatment** combined for which we shall pay **benefits** for any person in any calendar year shall be 180 less the number of days of such **treatment** received by that person during the same calendar year for which any payment has been made or is payable under any **health insurance**. In the case of anyone who joins or cancels during the year, their number of eligible days for **in-patient** or **day-case treatment** will be calculated on a pro rata basis.
- (h) We will only pay **benefits** in relation to the diagnosis or treatment of illness or injury of a person which would be accepted generally by the medical profession in **Ireland** as appropriate and necessary, having regard to the standards of medical practice and to the nature and cost of any other recognised forms of treatment as well as to all the circumstances relevant to the person.
- (i) We do not have to pay **benefits** for **in-patient**

treatment provided by a **hospital** if we are of the reasonable opinion, based on appropriate medical advice, that the **treatment** could have been received as **day-case treatment** or **out-patient treatment**. We also do not have to pay benefits for day-case treatment if we are of the reasonable opinion, based on appropriate medical advice, that the **treatment** could have been received as **out-patient treatment**. However, we will pay benefits for such **treatment** as follows:

- if you receive **in-patient treatment** and we determine that the **treatment** could have been received as **day-case treatment**, we may treat such **treatment** as **day-case treatment** for the purpose of paying **benefits**
 - if you receive **in-patient treatment** or **day-case treatment** and we determine that the **treatment** could have been received as **out-patient treatment**, we may treat such **treatment** as **out-patient treatment** for the purpose of paying **benefits**.
- (j) Despite anything to the contrary in these rules and the Table of Benefits, you may claim any **benefits** we are required to pay under the **minimum benefit regulations**.
- (k) We will only pay benefits for **consultants' fees** for **in-patient treatment** or **day-case treatment** if the **treatment** is provided in a **laya healthcare participating hospital**.
- (l) In the case of a person who was covered under a **health insurance contract** within 13 weeks before their **membership start date**, we will only pay **benefits** for **treatment** received during their additional cover waiting period if **benefits** for the **treatment** would have been payable under that **health insurance contract**. And we will only pay **benefits** for such **treatment** during the additional cover waiting period up to the amount that would have been payable under that **health insurance contract** if the amount is less than would otherwise be payable by us under the **scheme**.

A person's additional cover waiting period for this purpose shall be:

- the first year following their **membership**

start date for benefits under Benefit 5 on page 27

- the first two years following their **membership start date** for all other **benefits**

This rule will not restrict cover for **treatment** arising out of any illness, injury or disease which originated after the person's **membership start date**. This rule applies both to a person who becomes a member of the **scheme** for the first time or to anyone changing their **scheme** to a **scheme** which generally provides more extensive cover.

- (m) Subject to **laya healthcare** paying benefits up to the amount required by the **minimum benefit regulations**, **laya healthcare** shall deduct the first €50, €125 or €200 of the claim, depending on the hospital **you** choose from the benefits payable under the **laya healthcare** Credit Union Starter and Credit Union Family schemes, for each claim for hospital treatment in a **private hospital**. **Laya healthcare** shall deduct €200 from the benefits payable under the Credit Union Family for each claim for hospital charges for treatment in the Blackrock Clinic, the Beacon Hospital and the Mater Private Hospital. The excesses apply on a per claim basis.

8. What is not covered under the scheme

We will not pay benefits for the following

- (a) **Treatment** which a person requires during any waiting period that may apply to the **treatment** under their **scheme**. All waiting periods commence on a person's **membership** and upgrade **start date** and, except for the maternity waiting period, the length of a waiting period is determined by a person's age on their **membership start date**.

There are three waiting periods that apply under the scheme

- the initial waiting period - this applies to any

treatment that a person may require

- the pre-existing condition waiting period - this only applies to **treatment** which a person requires for a **pre-existing condition**
- the maternity waiting period - this only applies to **treatment** that a person requires for pregnancy or childbirth .

The initial waiting period is:

- the first 26 weeks of membership for those aged under 55 on their **membership start date**
- the first 52 weeks of membership for those aged 55 to 64 on their **membership start date**
- the first 104 weeks of membership for those aged 65 or over on their **membership start date**.

The pre-existing condition waiting period is

- the first five years of membership for those aged under 55 on their **membership start date**
- the first seven years of membership for those aged 55 to 59 on their **membership start date**
- the first 10 years of membership for those aged 60 or over on their **membership start date**.

The maternity waiting period applies

- to Benefit 5 on page 27 and applies during the first 52 weeks of membership.

The above waiting periods will not apply

- to any child of **yours** who becomes a member of the **scheme** within 13 weeks of their birth; or
- to any **treatment** received by a person resulting from an accident or injury which occurred while they were a member of the **scheme** or covered under another **health insurance contract**.
The waiting periods shall be reduced by a person's continuous period of cover (if any) under one or more **health insurance contracts** prior to their **membership start date** if the period of continuous cover ended within 13 weeks of their **membership start date**. (A person's cover shall be treated by us as continuous even if there is a break in cover,

but only if the break in cover does not last more than 13 weeks.) Please remember that we will not pay benefits for any **treatment** which a person receives while he or she is not a member of the **scheme**.

- (b) **Treatment** directly or indirectly relating from or to do with male or female birth control, infertility or assisted reproduction. This exclusion will not apply to investigations relating to infertility.
- (c) **Treatment**, including drug therapy, which we reasonably decide, based on established medical opinion in **Ireland**, is experimental or unproven. We may decide to pay for the type of treatment if it is offered to **you**, but we do not have to.
- (d) Cosmetic **treatment**, except the correction of accidental disfigurement or significant congenital disfigurement or significant disfigurement due to disease.
- (e) **Treatment** where injury or illness is caused by war, civil disobedience or any act of terrorism or chemical, biological or nuclear disaster in **Ireland** or overseas.
- (f) **Treatment** for symptoms which are not due to any underlying disease, illness or injury.
- (g) **Treatment you** receive outside **Ireland**. This exclusion will not apply to **treatment** that **you** receive in an emergency because of a sudden illness or injury while travelling temporarily outside Ireland or treatment approved as part of **laya healthcare's** medical tourism benefit. But we will only pay those **benefits** and costs described in Benefits 7,8,9 and 10 of the Table of **Benefits**. We will not pay **benefits** if any of the following apply to the person who receives the **treatment**:
 - if **you** are receiving treatment at the time of travel and/or **you** know before **you** travel that treatment may be required while temporarily overseas
 - **you** travelled abroad despite being given medical advice that **you** should not travel abroad
 - **you** were told before travelling abroad that **you** were suffering from a terminal illness
 - **you** travelled abroad to receive treatment.
 - **you** knew **you** would need the treatment before travelling abroad

(This exclusion will not apply to treatment that we have agreed **you** may receive in a hospital in the EU and which has been pre-approved by us, because the treatment is not available in **Ireland**)

- conditions arising from deliberately injuring yourself
- conditions arising from alcohol and drug abuse
- conditions arising from a psychiatric condition
- injuries caused during mountaineering, motor competitions and competitive professional sport
- convalescence or rehabilitation services
- injuries **you** received while breaking the law
- pregnancy-related admissions or giving birth after 28 weeks
- expenses incurred after a member has been discharged from hospital
- injuries caused by air travel unless **you** are a passenger on a licensed aircraft operated by an airline.
- (h) **Treatment** provided by a **consultant** whom the Irish Medical Council does not recognise as having knowledge and expertise in a speciality relevant to that **treatment**.
- (i) **Treatment** in any hospital or by any registered medical practitioner or therapist to whom we have sent a written notice saying that we no longer recognise them as a **laya healthcare participating hospital**, or **consultant** or **participating therapist**, as the case may be.
- (j) Any dental or orosurgical or orthodontic **treatment** or procedure unless it is a surgical or medical procedure listed in the **schedule of benefits**. But we will pay **benefits** for **out-patient treatment** for dental injuries to the extent shown under Benefit 4 on page 18.

We will only pay **benefits** for the following **treatment** if **you** get our permission beforehand:

 - periodontal mucoperiosteal flap surgery
 - removal of buried teeth (single or multiple)
 - removal of buried or impacted tooth/teeth.

Please note: **routine dental** is not covered overseas.
