How to make a claim

While in hospital

We have direct settlement with almost all of our hospitals and consultants. This means that when you go into hospital (for in-patient or day-case treatment), you simply fill out a form when you arrive, sign it when you leave, and the hospital then deals directly with us. There's no need for you to do anything else. We will then write to you afterwards to let you know how your claim has been assessed. It's as simple as that.

It's a good idea to call us on 1890 700 890 and let us know about any upcoming treatment. Don't forget to tell us which hospital **you're** going to and the name of **your** consultant, so we can confirm **your** cover.

Day-to-day expenses

If you have other health expenses, like physiotherapy, GP or casualty visits, just keep your receipts throughout the year. Then, at renewal time, fill out an out-patient claim form which can be posted to you if requested or downloaded online and include all your receipts and send to:

Laya healthcare, Eastgate Road, Eastgate Business Park. Little Island. Co. Cork.

In such circumstances we will not pay any benefits for the contract term and we will seek recovery of the losses and expenses incurred by us as a result of your non-payment.
- (c) You may also cancel the membership of any of your dependants of their scheme by writing to us within 14 days of you receiving your first membership certificate which lists them as a member. (a) We will pay benefits for treatment a person receives while they are a member of their scheme. We will pay benefits under the scheme of which they were a member at the time they received the treatment and according to the rules and Table of Benefits of the scheme that applied to them at that time. We will not pay benefits for treatment which a person receives while he or she is not a member of the schemes.

looking after you always

- (b) We will only pay fees and charges for treatment, services and facilities that are reasonable and customary and in any event only up to the limits shown in the Table of Benefits. By reasonable and customary we mean that what you are charged for and how much you are charged is not more than what the majority of our other members of the schemes are charged in Ireland for similar treatment services or facilities.
- (c) We may pay benefits direct to the person who provided the treatment or to you or your dependants. We will pay benefits after deducting any withholding tax or other deductions that we are required to make by law.
- (d) We will only pay benefits for costs and expenses that you have to pay. We will only pay benefits for treatment that you need and have received.
- (e) Any benefits we pay for treatment to which you are not entitled, will still count towards the maximum amount we will pay under the scheme. We may decide to make these payments, but it does not mean we will have to pay them in the future.
- (f) We will pay benefits for in-patient treatment for psychiatric or addictive conditions or problems up to the following limits:
 - (i) The maximum number of days of in-patient treatment for psychiatric conditions (other than those referred to in 'ii') for which we shall pay benefits for any person in any calendar year shall be 100 less the number of days of such treatment that the person has received during the same calendar year, in respect of which a payment has been made by us or any other health insurance contract.
 - (ii) The maximum number of days of in-patient treatment for alcoholism, drugs or substance abuse for which we shall pay benefits for any person in any continuous period of five years shall be 91 less the number of days of such treatment received by that person during the same five-year contract period in respect of which a payment has been made by us or any other health insurance contract.

- (g) The maximum number of days of in-patient treatment and day-case treatment combined for which we shall pay benefits for any person in any calendar year shall be 180 less the number of days of such treatment received by that person during the same calendar year for which any payment has been made or is payable under any health insurance contract. In the case of anyone who joins or cancels during the year, their number of eligible days for in-patient or day-case treatment will be calculated on a pro rata basis.
- (h) We will only pay benefits in relation to the diagnosis or treatment of illness or injury of a person which would be accepted generally by the medical profession in Ireland as appropriate and necessary, having regard to the standards of medical practice and to the nature and cost of any other recognised forms of treatment as well as to all the circumstances relevant to the person.
- (i) We do not have to pay benefits for in-patient treatment provided by a hospital if we are of the reasonable opinion, based on appropriate medical advice, that the treatment could have been received as day-case treatment or out-patient treatment. We also do not have to pay benefits for day-case treatment if we are of the reasonable opinion, based on appropriate medical advice, that the treatment could have been received as out-patient treatment. However, we will pay benefits for such treatment as follows:
 - if you receive in-patient treatment and we determine that the treatment could have been received as day-case treatment, we may treat such treatment as day-case treatment for the purpose of paying benefits
 - if you receive in-patient treatment or day-case treatment and we determine that the treatment could have been received as out-patient treatment, we may treat such treatment as out-patient treatment for the purpose of paying benefits.

- (j) Despite anything to the contrary in these rules and the Table of Benefits, you may claim any benefits we are required to pay under the minimum benefit regulations.
- (k) We will only pay benefits for consultants' fees for in-patient treatment or day-case treatment if the treatment is provided in a laya healthcare participating hospital.
- (I) In the case of a person who was covered under a health insurance contract within 13 weeks before their membership start date, we will only pay benefits for treatment received during their additional cover waiting period if benefits for the treatment would have been payable under that health insurance contract. And we will only pay benefits for such treatment during the additional cover waiting period up to the amount that would have been payable under that health insurance contract if the amount is less than would otherwise be payable by us under the scheme.

A person's additional cover waiting period for this purpose shall be:

- the first year following their membership start date for benefits under Benefit 5A on page 32
- the first two years following their membership start date for all other benefits

This rule will not restrict cover for **treatment** arising out of any illness, injury or disease which originated after the person's **membership start date**. This rule applies both to a person who becomes a member of the **scheme** for the first time or to anyone changing their **scheme** to a **scheme** which generally provides more extensive cover.

(m) Subject to laya healthcare paying benefits up to the amount required by the minimum benefit regulations, laya healthcare shall deduct the first €50 or €125 in claims, the benefits payable under the laya healthcare SimplyHealth scheme for each claim for hospital treatment in a private hospital. Laya healthcare shall deduct €200 from the benefits payable under the SimplyHealth scheme for each claim for hospital charges for treatment in the Blackrock Clinic, Beacon Hospital and Mater Private Hospital. The excesses apply on a per claim basis.

All waiting periods commence on a person's membership and upgrade start date and, except for the maternity waiting period, the length of a waiting period is determined by a person's age on their membership start date.

There are three waiting periods that apply under the scheme

The waiting periods shall be reduced by a person's continuous period of cover (if any) under one or more health insurance contracts prior to their membership start date if the period of continuous cover ended within 13 weeks of their membership start date. (A person's cover shall be treated by us as continuous even if there is a break in cover, but only if the break in cover does not last more than 13 weeks). 9. Making a claim

- (a) When possible, you should tell us about any treatment you are going to have. This gives us the chance to tell you if you can claim for benefits. We may ask your consultant or other registered medical practitioner to provide us with full written details of the treatment.
- (b) We will not pay benefits while you are breaking any of the terms of your membership.
- (c) You should send your claims to us as soon as possible. We will only pay benefits if we receive all of the following:
 - a written claim within 12 months of the date
 of any non-surgical out-patient treatment
 and six months of the date of any other
 treatment (unless this was not reasonably
 possible). You must make the claim in the
 way that we reasonably ask you. We may
 change the procedure for making a claim. If

- we do change the procedure, we will write and let **you** know.
- any proof we reasonably need to help us to decide if you are entitled to benefits.

This can include:

- any medical reports and other information to do with the treatment for which you are making a claim
- the results of an independent medical examination which we may ask you to undergo
- original accounts and invoices for the benefits you are claiming
- written confirmation from you as to whether or not you think you can recover the cost of the benefits from another person or insurance company
- details of any health insurance contract under which you were covered prior to becoming a member of the scheme
- original flight/travel tickets which will act as proof of your stay outside of Ireland up to but not exceeding 180 days in each calendar year.
- (d) In order to process a claim we require a fully completed claim form. If information required to process the claim is incomplete or ambiguous on the claim form, our claims department will follow up with the necessary party to obtain this information.

Please note: if the required information is not received within six months, the claim will be deemed ineligible for benefit.

Important Note

FRAUD POLICY:

- Laya healthcare operates a fraud policy in respect of all claims made under our Health Insurance Contract.
- Members should note that regular audits of claims are undertaken by laya healthcare.
- In all instances where fraud is suspected in respect of a particular claim, a full and comprehensive investigation will be carried out by us.

- If, following that investigation, a finding of fraud is made or if a claim be deemed in any respect fraudulent, the claim shall be disallowed in its entirety.
- If, after that investigation, a finding of fraud is made, or if a claim is in any respect fraudulent or dishonest and submitted with a view to obtaining any benefit under this policy, all benefit under this policy shall be forfeited. For example, overstatement of any medical fees incurred.
- Any member found guilty of submitting a fraudulent claim shall have their health insurance contract suspended with immediate effect.
- All claims of whatever nature being considered under that individual member shall be suspended with immediate effect.
- In addition, if any claim is fraudulent in any respect, laya healthcare reserves the right to refer the matter and details of the claim to the appropriate authorities to prosecute the member.

10. Changes to the agreement

- (a) We may change any of the terms of your membership of your schemes each year on your renewal date. These changes can include, for example, how much your subscription will be and how often you have to pay it. The changes can also include changes to the benefits. We will not add any restrictions or exclusions to your cover that are personal and specific to you concerning medical conditions that started after you joined the scheme. Changes will only apply to you for the period following the renewal date when the change was made. The changes will not apply to the period before the renewal date.
- (b) We will write to tell you about any of these changes at least 30 days before the renewal date on which they are to take effect.
- (c) We can increase or reduce the subscriptions you pay at any time if there is an increase or decrease in the rate of tax or any other

government or statutory charge or if any new tax or government or statutory charge is introduced which is related to **your** health insurance contract with **laya healthcare**. If we do, we will only increase the subscriptions **you** have to pay to cover the cost to us of the changes in the taxes or charges. We will write to tell **you** at least 30 days before increasing **your** subscription.

(d) We may make any changes to the terms of your membership of the scheme and your subscriptions at any time if we are required to do so by law. We will write to tell you about any such change as soon as is reasonably practical and you may end your membership of the scheme within 14 days of us telling you about the change. If, as a consequence, you end your membership, we will refund any subscriptions that you have paid for the period after your membership ends.

11. General terms and conditions

- (a) Your policy and all communication between you and us will be in English.
- (b) These terms will be governed by Irish law and all matters to do with the schemes will be dealt with by the courts in Ireland.
- (c) We will not return any documents you send us, unless you ask us to do so at the time you send them to us.
- (d) Any changes to these terms will only be valid if they are made according to these rules or the Table of Benefits, unless we agree any changes with you in writing. Nobody else can change your terms of membership of the scheme on our behalf or decide not to enforce any of our rights.
- (e) If we do not use our legal rights it does not mean we have given them up. We may use them in the future.
- (f) If you write to us about anything, you must send your letter by pre-paid post or deliver it personally to: laya healthcare, Eastgate Road, Eastgate Business Park, Little Island, Co. Cork.

If we change this address, we will write to tell **you** about the change.

We will send any letters to the address **you** last told us about. **You** and we can assume that the letter is received on the day after it has been delivered, if delivered personally, or three days after posting if it was sent by pre-paid post.

- (g) You must write and tell us as soon as possible if you have claimed benefits for any treatment which you needed because somebody else was at fault.
- (h) You should write to tell us if you have any other insurance cover for benefits that you have claimed from us. If you do have insurance cover with someone other than laya healthcare, we will only pay our share of any benefits.
- (i) We will pay benefits in accordance with the rules for treatment which was due to the fault of someone else.

However, if you claim benefits for treatment which was due to the fault of someone else, you must take any steps we may reasonably ask you to take to recover the cost of the benefits we have paid from the person whose fault it was. You must also claim interest if you are entitled to interest. You must pay us the money (and any interest) that you recover from that person up to the amount of the benefits we have paid for the treatment.

Third-party Claims

- Expenses which you are entitled to recover from a third-party are excluded from benefit, but please note the following:
- 2) Legal Action Proceedings Where a claim is submitted to laya healthcare in respect of treatment required as a result of an injury caused through the fault of another person, known as a third-party, and where you propose to pursue a legal claim against that party, laya healthcare will pay benefit in accordance with these rules provided that you (or the subscriber if you are under 18 years):

- (i) Complete in full the third-party section and sign the claim form, which includes an undertaking to include all benefit paid by laya healthcare relating to any claim made against another party.

This undertaking provided by **you** also authorises **laya healthcare** to provide the Injuries Board with details of all monies paid by **laya healthcare** relating to **your** claim, and requires **you** to provide **laya healthcare** with details of the Injuries Board's assessment.

Where the Injuries Board decides that the case is more appropriately dealt with by the court, due to some legal dispute, and issues a letter of Authorisation, laya healthcare will rely on the undertaking that has been provided by your solicitor, in accordance with point 2(ii) above, and a copy of the Authorisation from Injuries Board to proceed to the courts.

The undertaking provided by **you** also authorises **laya healthcare** to seek details of any settlement directly from the Criminal Injuries Compensation Tribunal and authorises the Criminal Injuries Compensation Tribunal to release this information to us. In circumstances where such a case is unsuccessful, **laya healthcare** will not seek a refund of the **benefit** paid.

6) Unsuccessful/Withdrawn Claims If a claim against a third party is not successful or is withdrawn, laya healthcare will not seek a refund of the benefit paid provided that you arrange for full written details of the case to be supplied by you from your solicitor, outlining to the satisfaction of laya healthcare the reasons why the case was unsuccessful or was discontinued.
